Features	Reinforced rubber hose Re-coil system Built-in multi-bracket for wall, floor or ceiling mounting

Pot Boy

Pot Boy is a powerful and cost effective system for cleaning encrusted or stubborn deposits from pots, pans and other cookware. Pot Boy is easy and quick to use, and has low running costs. It can be mounted over sink units or supplied with a trolley for cleaning fixed catering equipment such as griddles, brat pans and ranges in-situ. Safety is assured through its unique hydraulic system: the brush head is driven by a fluid circuit which provides both electrical isolation and overload protection.

Reach of hose	1.5m (5ft)
Motor	0.37kW (0.5HP)
Fuse rating	1 phase (13A)
Head speed	360 rpm
Hydraulic fluid pressure	30 bar
Mounting height	1.15m above sink base
Features	Wall mounting plate Foot operated pneumatic switch Long lasting nylon brush head Magikut exterior scrubber
Options	Mobile trolley to clean fixed equipment
Spares	Long lasting nylon brush head Magikut exterior scourer (5 pads)
