DELABIE faucets are fitted with well-known LONG-LIFE mechanism washer heads. (Wear free after 200 000 operations). The full flow-rate obtained in a half-turn avoids water-hammering of quarter-turn heads: ensures smooth working and long-life mechanism.

- Flow rate less than 40L/min @ 3 bar

## 1 High quality food grade HOSE

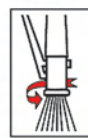

- Reinforced food grade hose (Hytrel). (AL approval) PN 10.
  - Resistant up to 10 bar pressure and 70°C hot water.
  - Dirt-proof coating and stainless steel settings.
- PVC screen on strain area.
- Twist-proof loose nut.
- Bright stainless steel spring guide with bracket adjustable in height according to each use.
- Reinforced wall bracket. (Adjustable length 35 to 162mm).

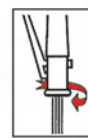

## 2 Adjustable HAND SHOWER spray

Heavy brass hand shower with heat-proof handle:

- Adjustable strength and shape of the spray.
- Gridless scale-proof nozzle.
- Tie-hook fixed on the column.
- Available in white or black.

Smooth spray to rinse dishes or foods

Hard spray to scrape food from dishes

## 3 Optional Telescopic swivel SPOUT

Bowl filling spout with scale-proof flow straightener:

- Swivel in all positions to allow high pans to pass.
- 200 to 290mm telescopic length.
