Catering Refrigeration

RANGE

Lec Refrigeration – providing quality refrigeration products for 70 years!

New improved range

The new range of fridges and freezers from Lec Commercial offer a complete and comprehensive choice of quality refrigeration and freezing solutions for busy caterers. We know that providing the best possible storage environment for your food is vital and we work closely with catering professionals to ensure our products fully meet your needs.

Save money on energy bills with Platinum

Our new Platinum range of catering fridges and freezers is packed with a host of user-friendly features and most models use our most energy efficient R600a refrigerant. This ensures their on-going running costs are kept as low as possible, keeping your electricity bills down.

Need lots of storage capacity? No problem!

We also have a range of large-capacity fridges and freezers ideal for when you need a lot of chilled or frozen storage space. These models are also packed with a host of features that enable you to get the most out of your refrigerated storage.

Buy with total confidence

We know you just want to think about your customers, not worry about your fridge or freezer. Therefore, all the fridges and freezers in this brochure come with a 2 years parts and labour warranty for complete peace of mind.

Range overview at a glance...

☑ **Large internal storage capacity**
Allows you to store more than with most equivalent sized competitor models

☑ **Works in the warmest of kitchens**
Our range works effectively even in kitchens up to 38°C

☑ **Energy efficient refrigerant**
Most models use R600a refrigerant for the lowest running costs. Look out for the symbol

USES R600a REFRIGERANT

☑ **New advanced controller**
With temperature display, high/low temperature alarms and a new door open system that sounds an audible alarm, should the door be left open accidentally

☑ **Fitted secure lock**
Enables you to keep contents safe back or front of house

☑ **Removable/replaceable door seal**
Easy to remove for thorough cleaning and simple to replace when it becomes worn through repeated door openings, avoiding costly door replacement

☑ **Fitted castors as standard**
Our 400L and 600L ranges come complete with fitted lockable castors for ease of movement. Our 200L range has fitted rollers and adjustable feet
