

# Food Warming Drawers

VERSATILE AND STURDY

**FWD**

*Keep your food warm and succulently moist with the stylish FWD and FWDG food warming drawers from Lincat. These versatile products are designed to keep buns, rolls, pastries and other breads warm for extended periods of time. They can also be used for holding potatoes, chicken and other meats.*

## Features

- Pre-set thermostat keeps food items at an accurate temperature.
- Water reservoir to provide humidity and keep contents moist for extended periods.
- Holds bread and meat products for up to one hour.
- Anti-surge bars fitted to water reservoir to prevent splashing.
- Full insulation ensures energy efficiency and safe, cool surfaces and controls.
- Large removable drawers for ease of cleaning.
- Smooth action stainless steel runners.
- Two drawer capacity.
- Sturdy, heavy duty stainless steel construction to withstand the knocks.
- Model FWD manufactured to KFC Restaurants' specification and incorporating American baking pans.
- Lower priced FWDG model features gastronorm dishes.

*FWD model features American baking pans with nickel plated wire racks.*

**FWDG**

*FWDG model features gastronorm dishes with stainless steel rack.*
