## A MILESTONE IN MINIBAR HISTORY

Convenient slide-out access, noiseless thermoelectric operation, low energy consumption: Dometic drawer minibars set new benchmarks in comfort and cooling efficiency.

With its convenient slide-out access, noiseless thermoelectric operation and low energy consumption: the Dometic DM 50NTE D drawer minibar sets new benchmarks in cooling performance! An alternative design to the F model, it comes with a decorative anthracite panel and handle. All the snacks and drinks inside are visible at a glance and easy to access from above. The interior is illuminated by LED light, neatly organised by adjustable dividers and has bottle fingers for secure storage.

- Convenient: contents visible at a glance, adjustable dividers and bottle fingers for added support
- Noiseless cooling comfort
- Intelligent Energy Control boosts efficiency and saves you money
- With additional drawer for mini bottles and snacks
- Automatic defrost
