

F78/020 - IMC WastePro II Dewaterer - Right Hand Discharge

Connected to a suitable existing IMC or alternative brand waste disposer in either a standalone or trough configuration, WastePro II removes excess liquid from macerated food waste through centrifugal action, reducing the volume of waste by up to 80%.

- ✓ No need to replace existing waste disposer - simply connect to existing waste disposer in either a standalone or trough configuration, with minimal disruption to kitchen
- ✓ Ensures compliance with technical and legal restrictions, where food waste cannot be disposed of via mains drainage
- ✓ Remove excess liquid from food macerated in separate food waste disposer
- ✓ Cost-effective system for many commercial and institutional organisations
- ✓ Right hand discharge

Specifications

Summary

Brand	IMC
Range	WasteStation
