

## F79/060 – IMC

### WasteStation AutoFeed – Auto Feed Unit

The WasteStation AF (Auto Feed) offers all the benefits of the WasteStation CR plus bulk loading with its large hopper able to store up to 200 litres of food waste ready for processing.

- ✓ Allows greater utilisation of staff, as many buckets can be processed in a short time
- ✓ Ultimate convenience from bulk loading – the large hopper can hold up to 200 litres of food waste ready for processing
- ✓ Feeds waste to the remote dewatering unit, located away from the kitchen area, ensuring waste does not have to be transported manually from the kitchen
- ✓ Maximise kitchen hygiene by pumping waste away from the kitchen area, creating a cleaner kitchen environment
- ✓ Pump waste up to 55 metres away from the kitchen area
- ✓ Macerate up to 700 kg of waste per hour, the equivalent of 1450 covers per sitting

## Specifications
